MEMORANDUM FOR: JOINT TRAINING COMMITTEE  
SUBJECT: Entrance of Students into Training

1. The attached memorandum from the Chief Instructor, Staff Orientation Course, to the Training Records and Scheduling Officer is self-explanatory.
2. It is felt by TRD that personal problems and difficulties which interfere with a student's training are matters properly the concern of the appropriate Desk and its designated Training Liaison Officer. By the same token such matters as the scheduling of a student for inoculations, arranging for clearances and other similar matters while a student is still enrolled in a training course likewise interfere. Except in unusual circumstances, these instances should be eliminated.
3. It is respectfully requested that this matter be brought to the attention of those properly concerned.
